Please tick in the response boxes below, how good you think you are in terms of the following driving skills: 1 = poor, 2 = moderate, 3 = satisfactory, 4 = good, 5 = excellent

| Vehicle handling                                                                                                                            | 1                        | 2                        | 3                        | 4                        | 5                        |
|---------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <i>In normal traffic situations, I can handle the car in the correct way and I have the car under control</i>                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Safety                                                                                                                                      | 1                        | 2                        | 3                        | 4                        | 5                        |
| <i>I maintain sufficient safety margins to the traffic in front and I make sure there is enough room for manoeuvre around the car.</i>      | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| <i>I recognise potential hazards in good time and I make sure that the situation remains as safe as possible.</i>                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Traffic Flow                                                                                                                                | 1                        | 2                        | 3                        | 4                        | 5                        |
| <i>I do not hinder other road users unnecessarily and my driving allows the traffic flow to progress normally.</i>                          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Consideration for other road users                                                                                                          | 1                        | 2                        | 3                        | 4                        | 5                        |
| <i>When driving, I take into account the actions of more vulnerable road users such as children, the elderly, pedestrians and cyclists.</i> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| <i>I take into account other traffic and I deal with other people's mistakes in a responsible way.</i>                                      | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Environmentally-aware driving                                                                                                               | 1                        | 2                        | 3                        | 4                        | 5                        |
| <i>I know how to drive in an environmentally-aware manner and I can apply this in practice.</i>                                             | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
